

Peter Walks
on Water

Colored by:

on

Hey parents! Take some time to go through these discussion questions this week with your child. This will help reinforce our teaching objective this week which is "I can choose to have faith in Jesus." The kids learned this teaching objective from the Bible story, Peter Walks on Water. Just like when Peter stepped out of the boat, we can have faith in Jesus! Having faith is believing in Jesus even though we can't see him. We want the kids to remember that we can choose to have faith in Jesus and put our trust in him!

1. What does it mean to have faith?
2. Did Peter have faith in Jesus?
3. How can I remember to have faith?
