

## PAINT IN FAITH

This week we are learning about the Bible story of Peter Walks on Water. In this story, Peter had faith when he chose to climb out of the boat. We can have faith in Jesus too by believing in Him. When we have faith in Jesus, amazing things will happen! Now, let's make a picture using water colors so we can remember to have faith in Jesus!

## DIRECTIONS

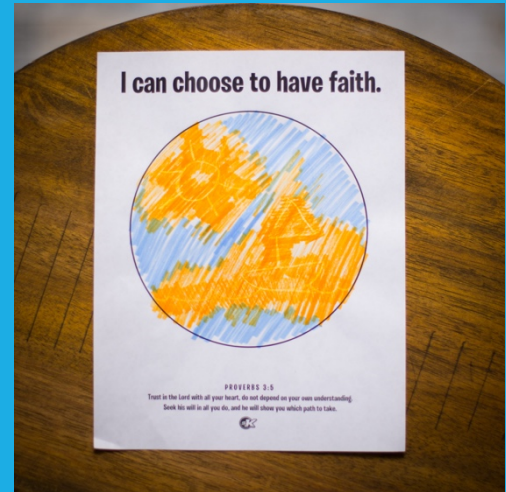

### PREP BEFORE SERVICE

1. Print the Faith printable onto white cardstock.
2. With a white crayon, draw a boat on water, sun, smiley face or heart inside the circle outline.

### DURING THE SERVICE

1. Give one Faith to each child and help them write their name on the back.
2. Distribute watercolor paint and paint brushes to the children.
3. Instruct the children to paint inside the circle with the watercolor.
4. When children are done, dab away excess paint with a paper towel, particularly on the drawing.

\*This craft can also be done with brush markers or even regular markers to attain the same effect.
