## NOTE FROM PASTOR STEVE

This week Saddleback Kids is starting on a journey of Daring Faith.

Today your child learned about Noah and his Daring Faith in God's plan. Noah trusted God and believed in His plan, even when he could not see or understand the outcome. It is a lot easier to say "I will believe it when I see it" but God tells us, BELIEVE it and you will see it." Your child was challenged to have daring faith like Noah, to believe in God's plan even when it does not make sense.

Thanks for being with us this weekend!

Pastor Steve

## PARENT AND ME DISCUSSION QUESTIONS

1. What did God ask Noah to do once He decided to flood the earth?
2. Noah had to trust God and believe Him even though it was hard to do without knowing what would happen. What are some things we can trust God with even though we cannot see how it will turn out?
3. What does the word daring mean? Do you think you can have a daring faith like Noah?

## PRAYER TO PRAY WITH YOUR CHILD

Dear God, Thank you for being our father and friend and for loving us as your children. Help us to have a daring faith like Noah so we can trust in you and believe in your promises even when we do not understand. We love you and ask you to guide us this week as we trust in You.

Amen

## VERSE

Help your child memorize this verse. We will be practicing this verse over the next six weeks.

"With God's power working in us, God can do much more than anything we can ask or imagine."

Ephesians 3:20

## COMING UP

We hope to see you next week! Next week, your child will learn about trusting God, expecting the best from Him and how to have a "giant-slaying faith!"
