Week #4: Blessed to Serve

FACILITATOR'S NOTE:

How To Prepare For Leading Your Group:¹

- Dedicate some time before leading to pray for your group and arrange the discussion questions in a way that suits their needs and the time given to meet.
- Review the Bible verses and “Big Idea” of the message to help you gain clarity around the heart of this week’s message.
- Use the discussion questions as a template. **You do not need to use all the questions given.** Ask the Holy Spirit to guide your discussion in a way that honours God, engages the group and helps your group apply the Bible passage and the speakers “big idea” to their life.
- You are not the answer. Your responsibility is to facilitate the discussion and keep it on track. The questions are meant to spark conversation as your group interacts with the content of the message. Encourage interaction with the content as opposed to “answers” to the questions. It is ok to disagree and have different views in a way that honours God and values your group members’ **own journey with God.**

How To Use The Discussion Questions:

- Start your groups discussion with the “Check-in” question to help your members reflect back on their week and follow up on last week’s message. It is ok if no one remembers the last week or applied the content. The weekly reminder for feedback may lead to application becoming a habit.
- Read this week’s scripture passages **together** (ask for volunteers) and guide your group through the “discuss” questions to initiate meaningful dialogue around key concepts or insights from this week’s message/passage.
- Move your group discussion to a deeper level by leading them through questions in the “apply” section. Use discernment to customize these application questions to meet the **needs and dynamics** of your group, moving from ideas about the message to the application of the message to your members life / current circumstances.
- Connect with God together as a group through prayer. This can be in the form of **prayer requests or prayer practices.**
- If you routinely do not have enough time to pray together, **try starting your meeting with the prayer section.** Many leaders have found that giving the group a cut off time to end the discussion (set a timer) and transition to prayer is very effective for time management (usually the last half hour of the meeting).
- Prayer is so key to the application of the passage and transitioning the message from the head to the heart. An open honest time of prayer will help members in your group feel cared for and more involved.
- Commitment to a time of prayer together as a group is key to a healthy group experience, spiritual growth, and the application of Scripture.

¹ For more resources on care and prayer, check out the Slack channels.

BLESSED

Poured In To Pour Out

CHECK-IN	How was everyone's week? Did you sense God's blessing as you lived out your week? What drove you or distracted you from seeing or living out His blessings?
BIG IDEA	Jesus leads us into the blessing of servanthood
DISCUSS	Mark 10:32-45 <ol style="list-style-type: none">1. How do you view the request of James and John? After spending so many years with Jesus, why would they ask such a question? How would you feel if you were one of the other 10 disciples?2. Though Jesus told them they were going to be part of His mission (drink the same cup, be baptized with the same baptism), he ultimately denied their request. How do you handle rejection? Can rejection make you a better servant of God? Explain.3. What was Jesus' formula for greatness? How did Jesus model servanthood for the disciples? The church? The world? You personally?
APPLY <p>How do we respond to God's teaching in meaningful ways? What might God ask of us in mind, spirit, or actions?</p>	<ol style="list-style-type: none">1. How have you been blessed in your service with Jesus? Have you ever had a moment like the disciples and saw an opportunity for greatness rather than the need to serve?2. How does servanthood go against the grain of our souls and culture? How does rejecting a lifestyle of servanthood be viewed as being arrogant or egotistical? How can serving in the church or community still make us proud and self-seeking? What can you do, or what have you done, to prevent you from thinking this way?3. This is the gospel: Jesus serves us by giving "his life as a ransom for many" (v.45). Why is it impossible to live a life as a servant without allowing Jesus to serve us? As you serve God, are you serving Him with your own strength and will or His? How and where will you apply this truth and allow Jesus to serve us as we serve Him?

PRAYER PRACTICE

(15 minutes)

Please use **ONE** of these two options to lead your group through prayer. Choose the one that fits best with your group:

1. Palms Down, Palms Up Prayer Practice

Step 1: Sit in a comfortable position with as little background distraction as possible. Turn off cameras and audio on Zoom. Take a few deep breaths.

Step 2: (Allow 2 minutes) Put your palms down as a symbol of letting go. Talk to God as if he was sitting across from you. Tell Him what's on your mind as if your best friend were sitting beside you. Talk about your hurts, your distractions, your cares, what happened today or what made you happy or you are looking forward to. Share whatever comes to mind.

Step 3: (2 minutes) Now turn your palms up as a symbol of surrender and receiving. Sit in silence listening to God. It is natural for your mind to wander. When it does, gently bring it back to focus on God, listening to what He has to say in response to you.

Step 4: (5 -7 minutes) Debrief with the group. Let these questions guide you:

- What was your experience during this exercise?
- What did you hear God say to you?

OR

2. Write down prayer requests for the group.

Either leader or another member can write.

Step 1: Begin the time of prayer by asking each member of the group to share one thing they need help with.

Step 2: Explain to the group that we will be praying for each other's prayer requests. Ask those who feel comfortable to pray for one of

BLESSED

the requests given.

Step 3: Ask someone to pray first, then allow others to join in and pray afterwards.

Step 4: After all requests have been prayed for, the leader will allow a time of silence (approx. 1 minute), then will close the meeting by praying for any missed prayer requests and close the practice in a final prayer. (leader can use the following or do his/her own)

“Lord may we discover who we are in You. Give us ears to hear your calling. Help us Lord to be obedient to use the gifts you have given us for the benefit of others. Use us to bring change to our communities, to comfort those who need comfort and to serve those you put in our path.” Amen.
